Each time you use any Service described in this Agreement, or allow any other person to use any Service, you are confirming your acceptance of the terms of this Agreement, including, but not limited to, the terms of that Service, that are in effect at that time. Any terms or conditions proposed by you that are in addition to, or which conflict with, this Agreement are expressly rejected by us and shall be of no force or effect. If, at any time, you do not wish to accept the terms of this Agreement, you may not access, link to, or use any Service.

YOUR USE OF THE SERVICES ARE SUBJECT TO ANY DISPUTE RESOLUTION PROVISIONS GOVERNING YOUR ACCOUNT(S). THEREFORE, IF A DISPUTE ARISES BETWEEN US REGARDING THIS AGREEMENT, EITHER PARTY MAY REQUIRE THAT IT BE RESOLVED THROUGH ARBITRATION, INSTEAD OF THROUGH A JURY TRIAL. YOUR ATTENTION IS DRAWN TO SECTION VIII OF THIS AGREEMENT AND TO THE TERMS OF YOUR ACCOUNT AGREEMENT.

I. GENERAL TERMS AND CONDITIONS

1. Scope of Agreement. This Agreement sets forth your and our rights and responsibilities with respect to the Services and supplements, but does not replace, any other agreement you may have entered into with respect to any deposit account or other bank product, including, but not limited to the Account Agreement, fee schedules, disclosures or any other terms and conditions that are presented to you related to a particular Service or Account. For example, your use of the Services does not affect the terms and conditions governing any deposit account. If any terms or provisions of this Agreement conflict with those of another agreement between you and us, or such other agreement contains terms or provisions not addressed herein, such other agreement shall control and take precedence, unless specifically stated otherwise provided in this Agreement.

Any Authorized User shall continue to be an Authorized User unless and until you notify us, as set forth herein, that such person or entity is no longer an Authorized User and until we have had a reasonable opportunity to act upon such notice.

3. Access to the Services. In order to use the Services, you must have access to a computer, which includes a Mobile Device, and the Internet. You are responsible for obtaining, installing, maintaining and operating all computer and Mobile Device hardware, network and software necessary to access and use the Services. We do not guarantee the compatibility of the Services with all computer systems, devices, internet browsers, hardware and/or software, and you are responsible for assuring that your computer meets the applicable standards for use of the Services as established by us.

You are responsible for obtaining an encrypted browser capable of a sufficiently high level of encryption to meet the system requirements we establish from time to time. You are additionally responsible for (i) obtaining Internet services via the Internet service provider of your choice, (ii) obtaining cellular or mobile services via the cellular or mobile service provider of your choice; and (iii) any and all fees imposed by such Internet service provider and/or cellular or mobile service provider. We are not responsible for any Internet or cellular/mobile access services.

We are not responsible to you for any loss or damage that you suffer as a result of the failure of systems, software or hardware that you use to initiate or process transactions through the Services, whether such transactions are initiated or processed directly with our systems or through a third party service provider. You alone are responsible for the adequacy of the systems and software that you utilize to process transactions and the ability of such systems and software to do so accurately.

4. Security Procedures.

4.1 Security Credentials. We require you or any Authorized User to use Security Credentials to gain access to the Services, and you will not be allowed to access the Services without correctly entering your Security Credentials. We may provide you a security code for your initial use of the Services or for any reset of your settings and you

will be required to select or create personalized Security Credentials thereafter. From time to time, we may require you to select or create different Security Credentials and may change the types of security techniques used to access for any or all of the Services.

You agree and acknowledge that use of the Security Credentials and any other Security Procedures are used to authenticate your identity and verify the instructions you provide to us, and are not used to detect errors in the instructions, transmission or content of communications. You bear sole responsibility for detecting and preventing any such errors. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures herein, that such instruction is incorrect or that the Security Procedures or your Security Credentials have been stolen, compromised, or otherwise become known to persons other than Authorized Users and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction using applicable Security Procedures constitutes sufficient authorization for us to execute such transaction notwithstanding any particular signature requirements identified on any signature card or other documents relating to your Account, and you agree and intend that the submission of transaction orders and instructions using the Security Procedures shall be considered the same as your written signature to execute such transaction. You acknowledge and agree that you shall be bound by any and all transactions and activity effected through the Service through the use of such Security Procedures, whether you actually authorized the transaction or not, and by any and all transactions and activity otherwise initiated by Authorized Users, to the fullest extent allowed by law.

4.2 Protecting Your Security Credentials. You are responsible for maintaining the security of your computer and Mobile Device and the confidentiality of your Account information and Security Credentials, and you agree to prevent unauthorized use of the Services. You agree not to give your Security Credentials or make it available to another person who is not authorized to access your Account. If you allow any person access to your Security Credentials or to use the Services, you will have authorized that person to use the Service and you agree that you will be bound by any transactions or acts initiated under the Service. You should change your Security Credentials password frequently and avoid using the same password for this Service as for other online services. If you believe that any of your Security Credentials have been lost or stolen or compromised or that any transaction involving any of your Accounts may have been made without your authorization, you should contact us immediately. As a reminder, no one representing us will ask for your Password. You should never give your Password to anyone who asks for it in an email or by phone or anyone else who you do not want to have access to your Account.

4.3 Commercially Reasonable Procedures. You further represent that you have carefully considered the circumstances of your use of the Services and the transactions that you will effect through the Services, and you acknowledge and agree that the Security Procedures, including without limitation any Security Credentials used in connection therewith, constitute commercially reasonable security procedures under

applicable law for such transactions. We reserve the right to modify, amend, supplement, or cancel any Security Procedures, at any time and from time to time at our discretion. We will try to give you reasonable notice of any change in Security Procedures, but we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your use of any changed Security Procedures shall constitute your agreement to the change and your agreement that the Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

4.4 Breach of Security Process. In the event of the breach of any applicable Security Procedures, you agree to assist us in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing us or our agent access to your systems, computer hardware and software, storage media and devices, and any other equipment or device that was used or may have been used. You further agree to provide to us with any analysis of such systems, computer hardware and software, storage media and devices, and other equipment or devices, or any report of such analysis, performed by you, your agents, law enforcement agencies, or any other third party. Any failure on your part to assist us shall be deemed an admission by you that the breach of the Security Procedures was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedures from you and not from a source controlled by us.

5. General Agreement and Use of the Services. This Agreement is effective between you (including any other Authorized User(s)) and us. You are liable for all transactions initiated through the Services using your Security Credentials and Security Procedures, even if you did not participate in the transaction. Notwithstanding any contrary provisions in your Account Agreement, if you use the Services to access a joint Account that requires more than one signature to authorize a check or complete another transaction, or your Account is subject to any additional restriction, we will not monitor or restrict the aspects of those Accounts in relation to your use of the Services. When such a joint or restricted Account is accessed through the Services, all authorized signers are jointly responsible for all transactions that occur in the Account, whether performed by a single Authorized User, and whether the restrictions are violated or not. This provision shall supersede any contrary or conflicting provisions in your Account Agreement.

6. Eligibility for Services; Refusal of Services; and Prohibitions. We reserve the right to determine, from time to time, your eligibility for any: (i) Service, (ii) Account, or (iii) eligibility of any Account for use with a particular Service, all in our sole and absolute discretion. You acknowledge and agree that upon any determination of ineligibility, we may discontinue your access to any Service and or close any Account without further notice to you. We further reserve the right, in our sole and absolute discretion, to delay and/or refuse to process any item, transaction or instruction with respect to any Service that: (i) does not comply with the terms of and conditions of this Agreement or any other agreement with us; (ii) is not complete, correct and current; (iii) is greater in frequency, amount or number than is permitted for the relevant Account or Service, (iv) is for an

amount that is less than the minimum amount permitted for the relevant Account or Service; (v) relates to an Account that has been closed or exceeds the amount of available funds in the relevant Account (or would reduce the balance of the available funds in the relevant Account below any required minimum balance); (vi) we believe in good faith is not genuine, conflicts with another instruction or relates to funds or an Account over which there is a dispute or restriction on withdrawal; (vii) we suspect results from a breach in the Security Procedures or relates to an Account or Service that we suspect is being used for, or is the target of, fraudulent or illegal activity; or (viii) might cause us to violate applicable law or otherwise expose us to liability.

You agree to comply with all applicable laws and regulations in connection with your use of the Services. You further agree to be bound by operating rules and regulations imposed by any processing networks, funds transfer systems, or clearinghouses (including, the Automated Clearing House network) in which we participate and/or which process Service transactions. You agree not to use or attempt to use any Service: (i) to overdraw any Account; (ii) to exceed any credit limit on any credit Account; (iii) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation; (iv) to breach any contract or agreement by which you are bound; (v) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction; or (vi) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. You acknowledge and agree that we have no obligation to monitor your use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement. In the event we exercise any right reserved or afforded to us under this Section, you agree that we will have no liability to you under any circumstance, whether under contract, tort, or other legal theory.

7. Restrictions on Use. You agree not to: (i) cause, permit, or facilitate access to or use of the Services or Content by automated electronic processes, including, without limitation, “robots,” “spiders,” “scrapers,” “webcrawlers,” or other computer programs that monitor, copy, reproduce or download data or other content found on, or accessed through, the Services; (ii) upload, post, email, transmit, or otherwise make available to or through the Services any topic, name, material, or information that is unlawful, harmful, threatening, abusive, harassing, tortious, profane, defamatory, or otherwise objectionable; (iii) interfere with, disrupt, unreasonably drain the resources of (through virus infections, denial of service attacks, any form of excessive use, or any other drain), translate, decompile, disassemble, reverse engineer, or otherwise attempt to derive the source code for, or adapt in any way, the Services, or servers or networks supporting the Services or Content, or disobey any requirements, procedures, policies, or regulations of networks connected to the Services or Content; (iv) transmit, broadcast, publicly disclose, rent, lease, resell or otherwise make available to third parties any of the Content or Confidential Information; or (v) upload to the Service any information or content that breaches the rights of any third-party or infringes the intellectual property rights of any third-party.

8. Service Fees. We may establish fees, or modify fee amounts, applicable to use of the Services. New or revised fees for a Service will be communicated prior to the

effective date of such new or revised fee, as required by applicable law. Your continued use of the applicable Service after the effective date constitutes your consent with such new or revised fee. If you do not agree to such new or revised fee, you must cancel and cease your use of the Service prior to the effective date. Current fees applicable to the Services will be set forth in our Account Agreement Fee Schedule. You shall be responsible for any and all fees imposed by any internet service provider or telecommunications carrier to receive internet, cellular or other data services. We may also charge you research fees for inquiries about past transactions.

9. Confidentiality and Ownership of Content

9.1 Confidentiality. You shall maintain all Confidential Information in strict confidence and shall not use the Confidential Information for any purpose whatsoever except for your personal use of the Services, and you shall not disclose any Confidential Information directly or indirectly to any other unauthorized person or entity. You acknowledge and agree that in the event of any breach or threatened breach of this obligation of confidentiality, we shall be entitled, without waiving any other rights or remedies in law or in equity, to such injunctive and/or other equitable relief as may be deemed proper by a court of competent jurisdiction. Your obligation of confidentiality shall survive the termination of this Agreement and continue until none of the information which we designate as confidential or proprietary information, or which you have reason to know is confidential or proprietary information, falls within the scope of Confidential Information as defined in this Agreement.

9.2 Ownership of Content & License. All logos, designs, trademarks, and service marks, and other product and Service names are trademarks of us or our licensors (the "Marks"), and you agree not to display or use the Marks in any manner without our permission. You acknowledge and agree that we and our service providers, as applicable, own or hold a license to the Services, the Content and any software or other technology incorporated therein, and that the Services and Content are protected under applicable intellectual property and other laws. You also acknowledge and agree that materials and works contained in the Services and the Content are protected by copyrights, trademarks, service marks, patents, trade secrets, or other proprietary rights and laws. You agree not to copy, disassemble, decompile, or otherwise reverse engineer any part of the Services. You may use the Services only for your own benefit. You may not copy, reproduce, distribute or create derivative works from the Services, software or Content and agree not to reverse engineer or reverse compile any of the technology used to provide the Service. In the event that you attempt to use, copy, license, sublicense, sell or otherwise convey or to disclose any Service, in any manner contrary to the terms of this Agreement, we shall have, in addition to any other remedies available to us, the right to injunctive relief enjoining such actions.

10. Service Providers. We reserve the right to offer you any Service through one or more third party service providers that we have engaged to render some or all of a Service to you on our behalf. However, notwithstanding the use of a third party service provider, we are the sole party liable to you for any payments or transfers conducted using the Service and we are solely responsible to you and any third party to the extent

of any liability in connection with the Service. You agree that we have the right to delegate any or all of the rights and obligations under this Agreement to third party service providers, and any rights or responsibilities so delegated may be exercised or enforced by either us or our service providers.

11. Information Provided Through Services. Any Account transaction or activity information that is provided to you through any Service will include a date and/or time as of when such information is current. The balance or recent activity provided to you through the Services may differ from your records because it may not include transactions in process, outstanding checks or other withdrawals, payments, charges or transactions. You agree to regularly review your Account statements and your transaction history and to notify us immediately of any errors or suspected unauthorized transactions or activity. You agree not to rely or act upon any data or information obtained through the Services that you know, or have reason to know, is erroneous, incomplete, or not current.

II. UNAUTHORIZED TRANSACTIONS FOR CONSUMER ACCOUNTS

THE DISCLOSURES AND TERMS IN THIS SECTION II ARE APPLICABLE ONLY TO CONSUMERS AND TO THE EXTENT THAT YOUR ACCOUNT HAS BEEN ESTABLISHED PRIMARILY FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES.

Certain types of consumer transactions that are initiated through electronic means are subject to the Electronic Fund Transfer Act and the implementation of the Bureau of Consumer Financial Protection Regulation E ("EFT Act"). These include certain transactions that can be made using the Services. Your rights, protection, and liabilities are outlined in the following disclosure in accordance with the EFT Act. Be sure to retain the telephone numbers and addresses that you may need in order to limit your liability and to resolve problems that you may have concerning electronic transfers. This disclosure supplements other electronic fund transfer disclosures that you may receive in connection with other electronic fund transfer services affecting your accounts with us.

1. Types of Available Transfers. The types of electronic fund transfers that you may make depend upon the specific Services which you enroll in as well as the specific types of electronic fund transfers you have authorized. The fund transfer and payment Services generally enable you to transfer funds to and from your Account, to pay bills directly from your Account in the amounts and on the days you request, and to make other payments and remittances of funds from your Account. These transactions are described in detail in this Agreement.

2. Your Documentation of Transfers. All fund transfers completed through the Services will appear on your periodic statement for your applicable Account. You will receive a statement of your Account each month in which an electronic fund transfer is made to or from your Account. Otherwise, you will receive a statement at least quarterly. Your periodic statement will show the details of any electronic fund transfer you made.

3. Unauthorized Transactions. An unauthorized transfer means a transfer from your Account that is initiated by another person without your authority to initiate the transfer and from which you receive no benefit. The term does not include any transfer that you indirectly authorized, such as a transfer that is initiated by a person who was furnished by you with the means to access your account, unless you have given us previous notice that such person is no longer authorized and we have had a reasonable opportunity to act upon your notice.

You must **immediately** inform us if you believe any of your Security Credentials have been lost or stolen. You must also tell us if someone has transferred or may transfer funds from an Account without your permission or if you suspect any fraudulent activity on your Account. Telephoning us is the best way to minimize your possible losses. To notify us about any lost Security Credential or about unauthorized transfers from your Account, call us at **(866) 774-6694**; or write to us at THE BANK & TRUST SSB, P.O. Box 4010 Del Rio, TX 78841-4010.

In the event of stolen access to your Account(s), you could lose all the money in your Accounts (plus your maximum overdraft protection). If you tell us within two (2) Business Days after you learn of the loss or theft of your Security Credential, you can lose no more than \$50.00 if someone used your Security Credential without your permission. If you do NOT notify us within two (2) Business Days after you learn of the loss or theft of your Security Credential, and we can prove we could have stopped someone from using your Security Credential without your permission if you had notified us, you could lose as much as \$500.00.

You should check your Account statement monthly. If it shows any unauthorized transfers, notify us immediately. If you do not notify us within sixty (60) days the statement was mailed to you showing an unauthorized transfer, you may not get back any funds lost after the sixty (60) day period if we can prove we could have stopped someone from taking the money had you informed us in time. If a good reason (such as a long trip or a hospital stay) kept you from informing us, we may, at our sole and absolute discretion, extend the time period(s).

4. Error Resolution. Telephone us at **(866) 774-6694**, or write to us at THE BANK & TRUST SSB, P.O. Box 4010, Del Rio, TX 78841-4010, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transaction listed on an Account statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST Account statement on which the problem or error appeared. Unless you notify us within such sixty (60) day window, you are prohibited from bringing a claim against us for such suspected error. When you write to us, please include the following:

- Your name and Account number;
- Description of the error or transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- The dollar amount of the suspected error.

If you tell us in person or by phone, we may require that you send us your complaint or question in writing within ten (10) Business Days.

We will inform you of the results of our investigation within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your Account within ten (10) Business Days for the amount you think is in error, so that you will have the use of the funds at issue during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days, we are not required to credit your Account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 Business Days to credit your account for the amount you think is in error.

We will tell you the results within three (3) Business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

5. Disclosure of Information to Third Parties. We may disclose information to third parties about your account and the transfers you make as described in our Privacy Policy provided separately. You may also obtain a copy of our Privacy Policy at any time by visiting any of our branches or by visiting our website. We will disclose information to third parties about your account or the transfers you make:

- Where it is necessary for completing transfers, transactions or actions under the Service, or
- In order to verify the existence and condition of your Account for a third party such as a credit bureau or merchant, or
- In order to comply with government agency or court orders, or
- If you give us written permission.

6. Stopping Preauthorized Payments. The Services may allow you to stop or cancel payments and transfers that you have scheduled or initiated, and you should follow applicable Service instructions if you wish to stop or cancel a transaction. Otherwise, if you use any Service to make recurring or other preauthorized electronic fund transfers from your Account, you can stop any other payments as follows:

Call us or write us at the telephone number or address as provided in Section VII of this Agreement in time for us to receive your request three (3) Business Days or more before the payment is schedule to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. If you

order us to stop one of these payments (3) Business Days or more before the payment is schedule to be made, and we do not do so, we will be liable for your losses or damages. Please refer to the Fee Schedule for the amount we may charge you for each stop-payment order you give.

III. SPECIAL PROVISIONS FOR COMMERCIAL USERS

The Terms and Provisions of this part are applicable to you if you are not a consumer. The terms and provisions of this part do not apply to you to the extent that the applicable Account has been established primarily for personal, family or household purposes. The following provisions supplement the other terms and provisions of this agreement as to non-consumer users:

1. Consumer Protection Inapplicable. You acknowledge and agree that your Account(s) accessed using the Services are not accounts established or used primarily for personal, family or household purposes. Accordingly, the provisions of the EFT Act, and any other laws or regulations intended for the protection of consumers or governance of transactions involving consumers do not apply to any Service transactions affecting your Account(s). You acknowledge and agree that we reserve the right to refuse to process any Service transaction, inquiry or activity, in our sole and absolute discretion, without liability to you. Without limiting other limitations and exclusions set forth in this Agreement, to the fullest extent allowed by law, and subject only to our obligation to exercise ordinary care and good faith, you assume all risk related to or arising out of your enrollment in any Service, and you agree to be bound by any and all transactions and activity performed through the Services, whether authorized or unauthorized.

2. Transmission of Information. You agree that we may transmit Confidential Information, including (without limitation) confirmations of Security Credentials, to the current address shown in our records for any of your Accounts or to your designated email address, whether or not that address includes a designation for delivery to the attention of any particular individual. You further agree that we will not be responsible or liable to you in any way in the event that such properly addressed information is intercepted by an unauthorized person, either in transit or at your place of business.

3. Authorized Users. You acknowledge that anyone possessing Security Credentials may access and use the Services and/or your Account(s). You agree to provide Security Credentials only to Authorized Users. You bear sole responsibility for establishing, maintaining, implementing and updating policies, procedures, equipment and software that ensure the security and integrity of your computer systems and information, protect them from any unauthorized use, intrusion, takeover or theft, and prevent your Security Credentials from any unauthorized discovery or use. You bear all risk of fraudulent transfers and other losses or disclosures arising from the unauthorized use of the Services or from the interception of your communications prior to their receipt by us. You agree that we

are authorized to execute, and it is commercially reasonable for us to execute, any instruction received by us with your Security Credentials.

Upon our consent, you may designate a security administrator to whom we may distribute Security Credentials and with whom we may otherwise communicate regarding the use of Security Credentials and other Security Procedures. Your security administrator will be responsible for distributing, setting and establishing Security Credentials to and for your Authorized Users, for ensuring the proper implementation and use of the Security Credentials by your Authorized Users, and for establishing the scope of authority with respect to use of the Services by your Authorized Users. You agree to notify us immediately by calling us at the number provided in Section VII of this Agreement if you believe that any Security Credentials have been stolen, compromised, or otherwise become known to persons other than Authorized Users (including persons whose authority as Authorized Users or security administrators has been revoked). You agree that we shall have a reasonable opportunity to act upon any such notification from you.

4. Commingling of Account Information. In the event that you have requested and we have agreed to link your personal consumer Account with a commercial Account to a single online banking user profile, you (as an individual and as an authorized representative of the business entity) acknowledge that any Authorized User of the Services will have access to information related to all Accounts. You understand and acknowledge that you are responsible for and consent to the access or actions of any user through the Services, and you agree that we may act on any instructions or directions given through the use of the Service on all Accounts. To the greatest extent permitted by law, you (individually and on behalf of the business entity) release and forever discharge us from any and all claims, debts, liability, damages, losses and causes of action, of every kind and nature whatsoever, whether known or unknown, suspected or unexpected, as a result of or related to the having Consumer Account and a Commercial Account linked to a single online banking user.

5. Examining Records and Reporting Errors. You agree to examine your Account statements promptly and to routinely review transaction and account activity available through the Services, and you agree to notify us immediately of any discrepancies or unauthorized, duplicate or erroneous transactions or activity. You should notify us of such matters by contacting us as provided in Section VII of this Agreement or as otherwise provided with respect to the particular Services. Without limiting the other terms, conditions, limitations, and provisions of this Agreement, you agree that you shall be precluded from asserting any claim whatsoever against us with respect to any Service transaction or activity unless you notify us in writing that the transaction or activity was unauthorized, duplicate or erroneous within thirty (30) calendar days after we send or make available to you a notice through the Service or periodic statement reasonably identifying that transaction or activity. You acknowledge that this provision shortens the period within which you are required to give us notice of an unauthorized, duplicate or erroneous payment order under Article 4A of the Uniform Commercial Code, as enacted in the applicable jurisdiction,

and you expressly agree to be bound by that shortened period to the maximum extent permitted by law.

6. Organizational Authority. You represent and warrant to us that your acceptance and performance of this Agreement, and the execution of any Service transactions and activity by you or on your behalf, are within your organizational power and have been duly authorized by all necessary organizational action. You further represent and warrant that the person who accepts this Agreement on your behalf and any person who at any time initiates any Service transaction or activity in such person's capacity as your agent, representative or other authorized capacity have been duly authorized to do so, and that this Agreement, together with any Service transaction or activity initiated by any such person, constitutes your legal, valid, and binding obligation, enforceable against you in accordance with its terms.

2.1 Account Information. You may use the Online Banking Service to view the account balance and recent activity in your designated Account(s). This account information may not reflect transactions that have not yet been completed or settled, and is not the official record for any Account. Because the balance of some Accounts is subject to change at any time, the Account information may become quickly outdated. We do not guarantee either the: (i) the availability or accuracy of any Account information, or (ii) your ability to download all Account information. For any loan Accounts shown, "Payoff Balance" refers to the estimated balance on your loan and does not include fees and other charges, such as pre-payment penalties, applicable if you paid off your loan

balance in full. For any payoff statement, please contact your banker, customer service or visit one of our branches.

2.2 Online Check Images. You may view images of the checks and deposit slips for your Account(s) that are checking, money market or savings accounts.

2.3 Secure Messages with the Bank. Through the Online Banking Service, you may send and receive secure electronic messages to and from us. Secure Message is accessible after you log into the Online Banking Services. You cannot use secure message to initiate transactions or make any other payment requests. From time to time, the Bank may send unsecured electronic mail to your email address to notify you that certain information is available. The Bank will never ask you to send personal information, such as account numbers and passwords, to us in an unsecured email. If you wish to send personal information to us, you should send a secure message using this service. You should never send personal information in an unsecured email. We may not immediately receive secured messages that you send, therefore, do not rely only on secure messaging if you need to communicate with us immediately. If you need to contact us immediately, use the contact information provided in Section VII of this Agreement. We will not take actions based on your email requests.

2.4 Alerts. Certain Services may have the capability to send you informational alerts. Such Services may from time to time provide automatic alerts and voluntary alerts. Voluntary alerts may be turned on and deactivated by you. In our sole discretion, we may add new alert types and/or discontinue alert types at any time and from time to time without notice to you. You may designate an email address or a number of your Mobile Device that accepts text messages (data and text message fees imposed by your mobile service provider may apply to alerts received on your Mobile Device). If the email address or telephone number that you use for alerts changes, you are responsible for informing us of that change. Some alerts may include information about your Account. Because the balance of Accounts is subject to change at any time, the information provided in any alert may become quickly outdated. You should be aware that anyone with access to your email or your mobile phone number will be able to view the content of these alerts. You understand and agree that any alerts provided to you may be delayed or prevented by your internet or telecommunications provider for a variety of factors. We do not guarantee either the delivery or the accuracy of the content of any alert. You agree that we will not be liable for (i) any delays, failure to deliver, or misdirected delivery of any alert, (ii) any errors in the content of an alert, or (iii) any actions taken or not taken by you or any third party in reliance on an alert. All alerts are provided as a courtesy to you and for informational purposes only.

2.5 Stop Payment Requests. You may use this stop payment application to request a stop on any payment on a check drawn on any of your Accounts. You should submit any stop payment request as soon as possible. If the payment or transaction that you wish to stop was scheduled through an online Service, please refer to specific Service terms in this Agreement for additional information. The charge for each stop payment request submitted will be the fee provided in the fee schedule associated with the Account Agreement. This fee will be charged regardless of whether we are able to stop

the payment. In addition to the terms provided in this Agreement, stop payment requests are governed by the applicable terms and conditions in the Account Agreement.

2.6 Internal Transfers between Online Accounts. You may use the Online Banking Service to make one-time or recurring transfers of funds between your Accounts held by us. You agree to follow the applicable Service instructions we provide in order to schedule and initiate fund transfers. Transfers to and from Accounts will be reflected immediately in the available balance for each Account, but may not be reflected immediately in the posted balance for those accounts. Subject to the requirements of applicable law, you agree that we shall have a reasonable opportunity and time to complete the posting of funds transfers. Instructions to transfer funds received by 6:00 p.m. CST on a business day will be credited/debited to your designated Accounts on that business day, assuming that you have sufficient available funds. Transfers processed after that time may be credit/debited on the next business day. It is your responsibility to schedule each funds transfer far enough in advance to ensure that we have sufficient time to receive and process your transfer request by the time you require the movement of the funds and the posting of the transaction. Requests for immediate internal transfers of funds cannot be cancelled. Future dated transfers may be cancelled or changed through the Service at any time prior to the transmit date. Your ability to transfer funds from certain accounts may be restricted or limited by either federal law or the terms of the Account Agreement. In addition, we reserve the right to limit the frequency and dollar amount of transactions from your Account(s). If you request a transfer that exceeds the funds available in the Account from which a transfer is being made, we will not be required to honor the request; however, if we, in our sole discretion, choose to make a requested transfer that exceeds the funds available in the Account, that Account will be subject to our current fee for processing items drawn against non-sufficient funds.

3. Bill Pay Service.

3.1 Description of Service. The Bill Pay Service allows you to (i) initiate and authorize payments from your designated Account to an individual or business (a "Payee"); (ii) set up recurring payments; and (iii) view your payment history.

3.2 Payments. You may use the Bill Pay Service to make one-time or future or recurring payments to Payees. You agree to follow the applicable Service instructions we provide in order to schedule and initiate payments. For each payment you attempt to schedule, the Bill Pay Service will designate the earliest possible payment date. When scheduling a payment, you must schedule a payment date that is no later than the due date on the applicable bill. After we receive your instruction the payment is made either by (i) transferring funds electronically from your Account to the Payee or (ii) preparing a paper check to the Payee and mailed via first class mail. When you enter and transmit payment instructions to us, you authorize us to withdraw funds from your Account and make the payment as you directed. We will make that payment unless we have some reason not to do so, for example if your account has insufficient funds (including funds available under any discretionary overdraft protection or other). You

are responsible for any non-sufficient funds or overdraft charges, as stated in the Account Agreement. We will automatically execute bill payments according to your instructions and will continue until you cancel such instructions.

3.3 Payment Information. You agree to provide such information as we may request from time to time in order to process payment transactions initiated through the Bill Pay Service. This information may include, for example, the name and address of the Payee or Payee's bank account number. You are responsible for ensuring that the information you provide is current, accurate, and complete, and you assume responsibility for any transaction error that results from stale, inaccurate, or incomplete information furnished or entered into Bill Pay Service by you. If you wish to amend any Payee information you have provided, you must follow applicable Bill Pay Service instructions for doing so. We shall have a reasonable opportunity to process any amended information, and amended information submitted by you may not be applied to transactions already in process. You acknowledge and agree that we may edit or alter data or data formats according to the Payee's directives and/or in order to process payment transactions more efficiently.

3.4 Payee Participation; Payment Refusal. We also make no representation or warranty that a Payee you wish to pay through the Bill Pay Service will participate or be able to receive payments initiated through the Bill Pay Service. You should be aware that some Payees do not accept electronic payments or other payments through the Bill Pay Service. We reserve the right to select, in our sole discretion, the method by which to remit funds on your behalf to a Payee. When we receive such notice of refused electronic payment, our system shall prepare and mail a paper check to the Payee. We further reserve the right, to the fullest extent permitted by law, to refuse to pay any Payee to whom you may direct a payment. In the event that we are unable to, or decline to, process or complete payments to a Payee, we will notify you that you must make payment through other means. We will not be liable to you in the event any Payee does not, cannot or refuses to accept payments initiated through the Bill Pay Service, or in the event any payment submitted to a Payee is returned, or in the event we exercise our right to decline to complete payments to such Payee.

3.5 Payment Timing. As you schedule payments, you should take into account delays that arise in processing and/or mailing paper checks. The Bill Pay Service provides "Deliver By" or "Arrives By" dates. These dates are estimates only, and delivery of the scheduled payment is not guaranteed by the dates provided. For payments made electronically, funds are debited from your Account the same day that the payment is processed. For payments made by paper check, you agree that paper checks are mailed and may not be received by the Payee until a few days later. Each Payee may have additional delays in processing a payment. Therefore, to avoid incurring any finance or other charge imposed by the Payee, you must schedule a payment sufficiently in advance of the payment due date.

3.6 Payment Processing. In general, you may schedule bill payments for the current business day or any date in the future, and we will process your payment on the date you schedule. Payments will be processed twice each Business Day (excludes Saturdays, Sundays and holidays) at 7 a.m. CST and at 2 p.m. CST. If you schedule a

payment to be processed before 7 a.m. CST for payment that day, it will be processed at 7 a.m.; subsequently, if you schedule a payment to be processed after that time, it is processed at 2 p.m. CST that same day. If you schedule a payment to be processed after 2 p.m. CST, it will be processed the next business day at 7 a.m. CST.

3.7 Recurring Payments. Recurring payments must be for the same amount each month, and these will be sent on the same calendar day of each month. If such day does not fall on a business day, the payment will be processed in accordance with your selected time preference during the establishment of the recurring payment in the Bill Pay Service.

3.8 Late Payments. You are responsible to use the Bill Pay Service so that your bills are paid on time. If you incur late payments or finance charges because you did not schedule payments or transmit payment instructions in a timely manner then you must pay those fees. We are not responsible for any delay or adverse consequence from the choice of payment methods, from delays in the delivery of mail or from the improper handling or transmission of payments by someone other than us. We also are not responsible for the failure of a Payee to accept, process or properly post a payment in a timely manner. We have no obligation to notify you if a payment is incomplete because there are insufficient funds in your account. In all cases, you must either make alternate arrangements for the payment or must reschedule the payment through the Bill Pay Service.

3.9 No Duty to Monitor. We have no duty to monitor payments made through the Bill Pay Service.

3.10 Cancellation of Payment. To cancel a bill payment that you have scheduled, you must cancel the payment online before the time it is scheduled to be processed.

3.11 Stop Payment Requests.

a. Electronic Payments: Once an electronic payment has been processed and your account debited, you CANNOT cancel or stop an electronic payment.

b. Paper Check Payments: You may request that Bank stop payment on a paper draft drawn against your Account if we have not accepted, certified, made final payment on or otherwise become accountable for the item. If the paper draft has not cleared, we will immediately process your stop-payment request. To be effective, this type of stop-payment request must precisely identify the name of the Payee, the Payee- assigned account number, the amount and scheduled date of the payment, and the Payee ID number from the Bill Payment Service "Payment History" Screen. You may be required to confirm the stop payment request in writing and mail it to us within 14 days of your request. You will incur stop-payment charges as provided for in the Account Agreement.

4. External Transfer Service (Consumer Accounts Only).

4.1 Description. The External Transfer Service allows you to transfer funds between your Consumer Account held by us and your deposit accounts held at other financial

institutions. An inbound transfer moves funds into your Account with us. An outbound transfer moves funds from your Account with us to an account held at a different financial institution. Commercial accounts are not eligible for the External Transfer Service.

4.2 Access. To utilize the External Transfer Service, you must enroll each of your non-THE BANK & TRUST SSB consumer deposit accounts that you wish to use for this Service. You agree that you will only attempt to enroll accounts for which you have the authority to transfer funds. All accounts requested to be used as part of the External Transfer Service will be verified in accordance with our procedures. Verification instructions are provided during enrollment and the verification process must be completed within ten (10) days after enrolling an account to complete the verification process. When you add an external account, we will send two small credits to your external account and then withdraw the credits in the same amounts. You must demonstrate that you have access to the external account by correctly reporting the amounts of the credits. By enrolling a non-THE BANK & TRUST SSB account, you authorize the account-holding institution to disclose to us any information we request about you or the account, and agree to cooperate in any additional verification request by us.

4.3 Processing of Transfers. You agree that your transfer instructions are authorization for us to complete the funds transfer. You authorize us to select any means to execute your funds transfer instructions, including but not limited to Automated Clearing House (ACH) transfers made through a transfer account owned by us. You will be bound by the rules and regulations that govern the applicable funds transfer systems.

1. Outbound Transfers. If your outbound transfer request is submitted prior to the cut-off time, funds will be debited from your Account and we will process your payment on the date you scheduled the transfer. Outbound transfers made after the cut-off time may be processed on the same day, if not the transfer will be processed the next business day. Funds credited to your Account held at another financial institution shall be available according to that financial institution's availability and transaction processing schedule, which could take multiple days.
2. Inbound Transfers. If your inbound transfer request is submitted prior to the cut-off time, we will process the transfer on the date you scheduled the transfer. Inbound transfers made after the cut-off time will be processed the next business day. For inbound transfers (which debits your account at another financial institution and credits your Account), we will hold funds for 3 business days starting the day after the transfer is processed in order to make sure that the transfer will not be returned unpaid.
3. Cut-off Time. The cutoff time for initiating transfers is 5:15 p.m. CST.

4.4 Future-dated and repeating Transfers. You may schedule both inbound and outbound transfers to occur on a future business day or on a repeating basis. The repeating transfer feature may be used when the same amount is transferred at regular

Fees may be imposed for the mailing of your paper statements in accordance with the Account Agreement fee schedule.

15. Dispute Resolution. You agree that: (i) Any claim, dispute, or controversy (whether in contract, tort, or otherwise) arising out of, relating to, or connected in any way with the Service, the App, or the Terms will be resolved exclusively by final and binding arbitration conducted pursuant to the American Arbitration Association ("AAA") Procedures for Consumer-Related Disputes in conjunction with the AAA Commercial Arbitration Rules (if and as applicable depending on the amount

in controversy); (ii) This arbitration agreement is made pursuant to a transaction governed by the Federal Arbitration Act ("FAA"), 9 U.S.C. §§ 1-16; (iii) The arbitration will be held at the AAA regional office nearest to you; (iv) The arbitrator's decision will be controlled by the terms and conditions of the Terms; (v) The arbitrator will apply Missouri law consistent with the FAA and applicable statutes of limitations and will honor claims of privilege recognized at law; (vi) There will be no authority for any claims to be arbitrated on a class or representative basis; arbitration can decide only your individual claims and the arbitrator will not consolidate or join the claims of other persons or parties who may be similarly situated; (vii) The arbitrator will not have the power to award punitive damages against any party; (viii) If the administrative fees and deposits you are required to pay under the AAA rules exceed \$125, and you are unable to pay the additional fees and deposits, JH retains the right to forward them to the AAA on your behalf, subject to ultimate allocation by the arbitrator. In addition, if you are able to demonstrate that the costs of arbitration will be prohibitive as compared to the costs of litigation, JH retains the right to pay as much of your filing and hearing fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive; and (ix) If any part of this Arbitration Provision is deemed to be invalid or otherwise unenforceable or illegal, the balance of this Arbitration Provision will remain in full force and effect and will be construed in accordance with its terms as if the invalid or illegal provision were not contained herein. You understand that, in the absence of this provision, you would have had a right to litigate disputes through a court, including the right to litigate claims on a class-wide or class-action basis, and that you have expressly and knowingly waived those rights and agreed to resolve any disputes through binding arbitration in accordance with the provisions of this paragraph.

16. Miscellaneous. The Terms constitute the entire agreement between you and JH concerning the subject matter hereof. The Terms will be governed by and construed in accordance with the laws of the State of Missouri, excluding that body of laws pertaining to conflict of laws. If any provision or portion of the Terms is determined by a court of law to be illegal or unenforceable, such provision will be enforced to the maximum extent possible and the other provisions will remain effective and enforceable. Failure by JH to insist upon strict enforcement of any provision of the Terms will not be construed as a waiver of any provision or right. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Service or the App, or the Terms must be filed within one (1) year after such claim or cause of action arose or be forever barred. If any of these terms will be deemed invalid, void, or for any reason unenforceable, that term will be deemed severable and will not affect the validity and enforceability of any remaining term. You may have greater rights, or some of the provisions may be prohibited, by virtue of state or federal consumer protection laws. In such a case, to such extent, the subject provisions will not apply to you. The Terms and all related documentation are and will be in the English language. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly waived and excluded.
